**SPINAL CORD INJURY  
AWARENESS DAY  
WEDNESDAY, SEPTEMBER 8, 2021  
12:00-1:00 PM**

A COLLABORATION OF MASSACHUSETTS REHABILITATION FACILITIES, CONSUMER ORGANIZATIONS, LEGISLATORS, SCIENTISTS, RESEARCHERS, POLICY MAKERS, AND ADVOCATES WORKING TOWARD A COMMON GOAL TO INCREASE AWARENESS AND FUNDING FOR SPINAL CORD INJURY CURE

Our goal to increase funding was achieved. Five researchers in Boston were awarded two and a half million dollars commencing July 1, 2019.

The SCI Trust Fund was established in 2004 to provide funding opportunities for SCI research in Massachusetts. SCI Awareness Day at the State House has been a yearly event since 2004. Please join us on Zoom for short presentations from our research grant recipients. This year we are also showcasing many of our network supporters. Their messages are educational, informative, inspirational, and energizing. If time allows there will be opportunity for Q and A.
